From renowned composer MASAMICHI AMANO (SiN: the Movie / Ninja Resurrection / Princess Nine TV / Ruin Explorers / Urotsukidoji) comes the Original Soundtrack to one of the best orchestral tracks in anime - *Giant Robo*!

From the action-packed drama *Giant Robo* comes the soundtrack that has been hailed as a landmark title in anime music. Performed by the WARSAW PHILHARMONIC ORCHESTRA and composed by musical legend Masamichi Amano, the second *Giant Robo* soundtrack picks right up where the first left off, with tracks like the poignant string melody of "Daisaku's Determination" and the driving percussion of "Rush!" that will capture you instantly. Comes with a 14-page full-color CD booklet and liner notes by Amano himself. Don't miss it!
